

The only kind of butt we want to see out on the greens.

For your convenience and to protect our environment Eco-Pole Ashtrays are located at all entrances, carparks and outdoor smoking areas. Please use them.

If you're a smoker, help us 'kick butts' & carry one of our No Butts 'Mini-Butts' Personal Ashtrays.

Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down. Littered butts can also cause fires.

Help us make Australia butt litter & fire free.

FREE Mini-Butts are available from the Bar!
