

# THE ONLY KIND OF BUTTS WE WANT SEEN OUT ON LOCATION.

Remember that on site or off, when you're in QGC gear, or in one of our vehicles, or wearing your hard-hat, etc you are representing your company.

**Always use one of our Mini-Butts Personal Ashtrays.**

**Cigarette butts ARE litter and are a major cause of fires.**

**Get your free personal ashtray from Staff Services. Better still, quit smoking!**
