

The only kind of butt we want to see around our hotels.

Smoking in rooms & suites is prohibited by law.

For your convenience and to protect our environment Eco-Pole Ashtrays are located at all entrances, carparks and outdoor smoking areas. Please use them.

If you're a smoker, help us keep Australia beautiful and use our No Butts 'Mini-Butts' Personal Ashtrays wherever your travels take you.

Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down. Littered butts can also cause fires.

Complimentary Mini-Butts are provided in your room and are also available from Reception.
