

The only kind of butt we want to see around Lumley.

Please don't throw your cigarette butts on to the ground around Lumley.

There are Bollard Ashtrays at Entrances & Exits, and throughout the property. Or pickup a FREE Personal Ashtray from Reception. **Better still, quit smoking.**

Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down.

Please help protect our precious environment.

Lumley

The Butts Stop Here.
