

The only kind of butt we want to see around our Beer Garden.

You've already met our Eco-Pole Bollard Ashtrays.

Now say hello to our NEW No BUTTs Personal Ashtrays! If you smoke you need one.

You're already paying over \$10 for every packet of smokes, - so get one of our Personal Ashtrays for only \$4! ...Lasts for months!

Cigarette butts ARE litter. Don't be an 'Ash-hole'.

The world is not your ashtray.
