

The only kind of butt we want to see around Bayside.

No Excuses. Cigarette butts are Litter.*

If you smoke always use a personal ashtray or find a bin.

Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down. Littered cigarette butts can also cause fires.

*** You can be fined up to \$2,000 for littering your butts.**

Please help us protect our environment.

The world is not your ashtray.
