

The only kind of butt we want to see around Uluru Kata Tjuta.

If you smoke,
always carry
& use a No Butts
personal ashtray.

Don't let the Ranger see your butt!

Cigarette butts ARE **litter**. They are **poisonous** to the environment and take **4-15 years** to break down. Littered butts also **cause fires**.

Please help protect Uluru Kata Tjuta.

Get your Mini-Butts Personal Ashtrays from the Cultural Centre.
