

The only thing we want to see being stepped on at our wineries.

Please do not litter your cigarette butts.

For your convenience and to protect our environment Eco-Pole Ashtrays are located at all entrances, carpark and outdoor smoking areas. Please use them.

If you're a smoker, help us keep Sonoma beautiful - and use our No Butts 'Mini-Butts' Personal Ashtrays wherever your travels take you.

Cigarette butts ARE **litter**. They are **poisonous** to the environment and take **4-15 years** to break down. Littered butts can **also cause fires**.

Please help protect our precious environment.  
Ask our staff for your complimentary ashtray!
