

**The only kind of butt we want to see this summer.**

**Only \$5 each!**

**...If you smoke, please carry & use one of our No Butts personal ashtrays.**

**Never litter your cigarette butts.**

**Cigarette butts ARE litter. They are poisonous to the environment & take 4-15 years to break down. Littered butts also cause fires that kill & injure our wildlife.**

**You can help us protect our environment & wildlife - and support our voluntary organization by buying a Mini-Butt Personal Ashtray!**

*...because the world is not an ashtray.*
