

**The only kind of butts we want to see around this track.**

**Do not litter your butts.**

Please use the Eco-Pole Bollard Ashtrays located around the course.

Or pickup a FREE Personal Ashtray from the info tents.

Better still, quit smoking.

**Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down. Littered butts also cause fires.**

**Please help protect our precious environment.**
