

The only kind of butts we want to see around this event.

If you smoke always carry a personal ashtray.
NEVER LITTER YOUR BUTTS.

Cigarette butts ARE **litter**. They are **poisonous** to the environment and take **4-15 years** to break down. Littered butts also **cause fires**.

The world is not your ashtray.

Please help protect our precious environment and make **Binning Your Butts** your New Year's Resolution!
