...and The Useless.

If you are considering purchasing windproof ashtrays, or your council requires you to provide them, there are some important facts you should be aware of.

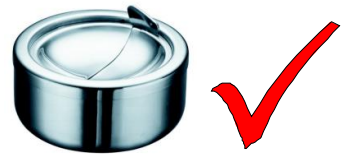

Only No Butts Windproof Ashtrays:

Are:

- 100% marine-grade Stainless Steel
- 100% rust and corrosion resistant
- Dishwashable - even with logo printing
- Supplied with FREE disposable foil inserts
- Made to withstand heavy hospitality use

Have:

- Reinforced flaps and hinges
- A gravity operated mechanism - with no fragile spring
- A snug sealing lid that eliminates smouldering butts
- Optional theft-proof Table-Locks - Guaranteed
- Proven their durability in over 7,500 businesses

Won't:

- Rust, corrode, 'stop spinning', fall apart, or stop working prematurely

(Ashtrays *aint* Ashtrays..)
