

**The only kind of members butts we ever want to see.**

**If you smoke, always carry & use one of our No BuTTs personal ashtrays.**

**Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down. Littered cigarette butts also cause fires.**

**Remember that on duty or off, wherever you are, you are representing your union.**

**Don't be an Ash-hole!**

**Protect our environment. Better still, quit smoking!**
