

The only kind of butts we want to see around this track.

Do not litter your butts.

Please use the Eco-Pole Bollard Ashtrays located around the course.

Or pickup a FREE Personal Ashtray from the info tents.

Better still, quit smoking.

Cigarette butts ARE litter. They are poisonous to the environment and take 4-15 years to break down. Littered butts also cause fires.

Please help protect our precious environment.

The Butts Stop Here.
