

# THE ONLY KIND OF BUTTS WE WANT TO SEE AROUND OUR TUGS.

Remember that wherever you are, when you're in Westug gear, or on one of our vessels, or wearing your hard-hat, etc you are representing your company.

**Always use one of our Mini-Butts Personal Ashtrays.**

**Cigarette butts ARE litter and are a major cause of fires.**

**Don't be an Ash-hole!**

**Get your free personal ashtray here. Better still, quit smoking!**
