Introducing the **NEW SlotMate Ashtray** from No BuTTs - the world's leading ashtray manufacturer

A Breath of Fresh Air

No ash
No mess
No smell

No roll-offs
No smouldering
No BuTTs!

*Because the floors in your Gaming Venue
are not an ashtray...*

What can SlotMate do for your gaming business?

Most ashtrays that are in circulation throughout Casinos & Gaming Venues are not enclosed, creating a visually unattractive gaming floor.

SlotMate will hold 6-8 times more butts than conventional ashtrays, therefore SlotMate usually only has to be serviced once a day.

- **Number 1 in Gaming Floor cleanliness**
- **Enhances guest & patron experience**
- **Reduces staff labour impact bottom line**
- **Hides ash and butts from view**
- **Eliminates smouldering, ash & embers**
- **Eliminates roll offs and carpet burns**

SlotMate will free up labour hours spent on maintaining ashtrays, delivering a superior guest focused service. The time gained will allow staff to focus their energies on other areas of customer service.
